About

Ilias Int'l Co. for Trading & Oil Services (IICTO) was established in the Republic of Yemen, based in Sana'a in 1993; aiming at serving the growing oil and infrastructure markets. The company brings together the most comprehensive product/supply package covering oil and gas, power, food & beverage supplies, and travel & tourism services, from the world's most prestigious brands.

Modern administration methods following international quality standards are followed in order to provide a timely and precise service, in addition to comprehending requests and offer hassle free added services.

IICTO imports and distributes food & beverage products through its sister company Trade Hub Int'l for Trading and Import. These products were carefully selected from world's healthiest & most nutritious products, such as F&N (a leading F&B manufacturers in Asia) and Home Essentials general trading LLC (Dubai - UAE). Trade Hub offers cold storage facilities in Sana'a, delivery & dissemination of products, and storage facilities.
